THE JON BOAT PINOT NOIR HAS A NEW LOOK!

Sleek new capsule elevates the prestige of this beautifully hand-crafted wine.

Same great Winemaker, Jamey Whetstone, continues his tradition of small-batch, artisan winemaking in this stunning 2015 vintage.

New label incorporates delicate gold foil on a slate grey background - making this delicious offering perfect for the dinner table.

New larger font is easy to read when poured by the glass and jumps out on the shelf.
