

*Adventure & Travel ignite an energy in all of us that results in some of the best memories & experiences in our lifetime. In the traditional sense, this was put on pause for most of us.*

*If your plans to visit Napa Valley are still on hold, let us bring a personalized wine experience to you. Jamey & Michelle will host you from the Whetstone tasting salon for a private virtual tasting giving you and your friends, neighbors or family members a unique opportunity to gather... bound by our mutual appreciation of food, wine, conversation and friendship from the comfort of your home.*

#### HOW IT WORKS:

*We have created a Virtual Tasting Package to bring a bit of Napa to you!*

*Our Virtual Tasting packing offer includes -*

*2018 'Catie's Corner' Viognier*

*2018 'Pleasant Hill' Pinot Noir*

*2017 'Walala' Pinot Noir*

*2016 'Phoenix Ranch' Syrah'*

*Custom winemaker tasting notes along with Jamey's pick for pairing recipes from our favorite local restaurants*

*Place your order online and request a date for your private virtual tasting with Michelle and Jamey. We will follow up with an email confirming your date and time with you and your guests, a Zoom invitation, and any further instructions you may need.*

*Each package is ideal for up to 8 friends, neighbors or family members with some left over for a revisit!*

*Need assistance? Email [tastingsalon@whetstonewines.com](mailto:tastingsalon@whetstonewines.com) to help with the process or to answer any questions.*
