

WHETSTONE WINE CELLARS

At The Studio

The Art studio delivers a one-of-a-kind creative atmosphere. Housed in a beautifully restored former haybarn dating back to the early 1900s, the studio is the working home of internationally acclaimed artist Gordon Huether. This visually incredible space of over 10,000 sq. ft. of gallery and production facilities provides an inspiring and lively setting for your next event. Featuring soaring ceilings, exposed beams, and expansive gallery walls adorned with large-scale sculptures, glass installations, and mixed-media works. Its blend of industrial heritage and contemporary artistry creates a dramatic, inspiring backdrop for events of all kinds. Gordon Huether Art Studio provides a creative, gallery-style backdrop surrounded by world-renowned art installations. This venue also allow for much larger events — accommodating up to 300 guests year-round — making it ideal for grand celebrations, corporate galas, and large-scale receptions.
